SBB ENERGY SPÓŁKA AKCYJNA

ul. Łowicka 1

45-324 Opole

EXTENSION OF THE DEADLINE FOR DELIVERING OFFERS

In connection with the planned implementation of the project entitled.: *Hybrid integrated adsorption system to reduce mercury emissions with the use of high-efficiency polymer components in the company SBB Energy SA*, which will be implemented under the Smart Growth Operational Programme 2014-2020 Measure 1.2, we would like to inform that the deadline of delivering offers on tender inquiry no. 2/POIR/SBB 9002/2016 to submit a price quotation for the supply of test cartridges and collectors for the construction of a pilot plant has been extended to 31.01.2017, 15.00 PM.

Offers delivered after the deadline will not be considered.

SBB ENERGY S.A.Michał Moś
